Memorialized Christmas Tree Fundraiser

The cost to memorialize one of these beautiful trees is \$220. Each tree will have a laminated dedication certificate containing your dedication, the names of those you wish to remember, or a Christmas greeting. Another great way to support our fundraiser is to be a Sponsor.

The benefits of Sponsorship include recognition such as: listed in weekly Church Bulletin announcements, in press releases, in digital promotion on social media, on St. Mary's website and among those thanked at the formal "Lighting of the Trees"
